If you require prescription skincare by Obagi Medical, such as items from the Nu-Derm, C-Rx, Tretinoin or Clenziderm (Therapeutic lotion), these must be ordered through our prescription-compliant Clever Patients portal.

If you're already registered, you can simply log in to place your order. If you haven't yet registered, please request access first. For urgent orders or if you're running low on your products, please contact me directly via WhatsApp or text message for quicker assistance.
